

The NICE Stalker

Do you have what
it takes to be
Richard
Ramirez's
girlfriend?

Whatta hunk! Gorgeous teen idol
Richard "The Night Stalker" Ramirez
blows a kiss to his fans and promises,
"I'll be out of jail soon!!!"

You're not a little girl anymore, at least not if you obeyed that "adults only" thing on the front cover. Your bush is hairier, your breath smells worse, and those tits ain't quite as perky as they were at age seventeen.

And since you're now an adult woman, you're having rape fantasies almost nightly. But while you're roaring away with that lamp-sized vibrator, your legs split at a 180° angle, who do you imagine is your captor?

The teen idols were fine—when you were a teen. But you're a WOMAN now, and some little blond butter-boy just doesn't cut it anymore. Leave the ephemeral teen stars to the chicken hawks. Open your legs, close your eyes, and think about a MAN.

Richard Ramirez is a guy who's been around the block a few times. They say he's fucked women after killing them, so he just might know his way around a bedroom. And gee willikers, do the girls go gaga over him!

A mutual friend (and actual necrophile) introduced Ricky to *ANSWER Me!* starting with our second issue. Some bad folks in the government say Ramirez killed at least thirteen people, but we don't believe them. Not our Ricky. He called Debbie "radical." Said we were "a match made in hell." We love him.

But it gets lonely year after year as you appeal your death sentence, and Ricky's thoughts often turn to romance. Especially if it involves Chinese chicks who are into bondage. Since *ANSWER Me!* is a magazine about serial killers—and NOTHING BUT serial killers—we felt obligated to find a girlfriend for one of our favorites.

Ricky was nice enough to take time out from his busy schedule and answer a few questions through the mail. The questions aren't particularly original. In fact, with very minor changes, they were all lifted directly from a recent issue of a national teen-idol magazine. Enjoy his whimsical answers and take a long gander at those drop-dead photos. The next time you're speed-buffing your clitoris to one of your many rape fantasies, is it possible that Ricky could be the boy...for you?
